

# Hella Barta, Singen, Germany

## Cancer of the throat

---

**Hella's cancer was caused by nuclear radiation as a result of Chernobyl accident.**

**Doctors diagnosed it as incurable and recommended operation.**

**Hella decided to take the help of Agnihotra and fasted with Agnihotra ash water.**

**After two weeks doctors found the cancer completely cured.**  
**Fifteen years later she remains cancer-free and at the age of 75 years she still rides her bicycle.**
